SCCA SPEED World Challenge Toyo Cup

SCCA Pro Racing, in conjunction with Toyo Tires, has developed the Toyo Cup in the SPEED World Challenge GT and Touring Car Championships. This program is designed to recognize the efforts of sportsmen drivers, who do not make a living driving race cars for the overall series Championship.

The top finishing Toyo Cup driver will receive a \$250 Toyo Tires credit, be recognized in each event's press release and join the other award winners in the closing race ceremonies. Additionally, the points accumulated by Toyo Cup drivers will go toward the year-end award for each series, to be recognized at the series year-end awards ceremony.

Drivers interested in participating in the Toyo Cup may request consideration from the series through the series Technical Director (Shawn Passen – spassen@sccapro.com). All requests are subject to approval by SCCA Pro Racing and SCCA Pro Racing reserves the right to exclude anyone from consideration. Rookies, former race winners and pole winners are not eligible for the Toyo Cup.

Drivers must register and be approved prior to qualifying of a race event to be considered for that event.
