

VTS Change Request

Instructions

Fill out this form to request a change to the specifications listed on a vehicle's VTS sheet or Appendix A listing.

Requests should be well researched and reasoned. Relevant data (e.g. photos, drawings, calculations, data acquisition files) should be submitted along with this request. Once submitted, forms will be posted on the World Challenge website, as will an official decision. SCCA Pro may request parts for inspection, and additional fees.

Information

Party Submitting Request:	<input type="text" value="ISTOOK'S MOTORSPORTS"/>	Date:	<input type="text" value="7/21/2010"/>
E-Mail Address:	<input type="text" value="istook@airmail.net"/>	Phone Number:	<input type="text" value="817 332-6547 817 690-6747"/>

Specification Change

1. Identify the vehicle you are requesting a change to.
2. Identify the section of that vehicle's VTS sheet or Appendix A that you want changed.
3. Provide the new specification you would like.
4. Summarize your reasoning for this request.
5. Provide the cost to make this change to a car.
6. Provide the time required to make this change to a car.

1. Vehicle:	<input type="text" value="2007 VW GTI and also the VW JETTA GLI"/>
2. VTS / Appendix A Section:	<input type="text"/>
3. Requested Specification:	<input type="text" value="INSTALL STOPTECH 328 X 28 BRAKE KIT"/>
4. Summary of Reasoning for Request:	<input type="text" value="We have found that the heat generated by the brakes is enough to not only melt the ABS sensors, but also the brake piston deforms and bends the steel backing plate, leading to the brake pad material severely cracking and even breaking off. The brakes at Toronto were very bad from middle of the race on. All of the VW's racing in W/C use the same brake calipers, hence, the same STOPTECH kit #88.893.44300.71. Our brake pads would also last longer due to the greater heat sink of the discs. This is basically the same brake kit the Scions use (TRD manufactured by STOPTECH)"/>
5. Cost:	<input type="text" value="List is \$1995. STOPTECH will possibly give a racer price of about \$1400"/>
6. Time:	<input type="text" value="Approximately 1 1/2 hours"/>

Submission

This form, along with any additional documentation, should be submitted to:

SCCA Pro Technical Department

E-Mail: tech@sccapro.com
 Fax: (785) 233-7223
 Mail: P.O. Box 19400
 Topeka, KS 66619
 Packages: 6700 SW Topeka Blvd.
 Building 300
 Topeka, KS 66619

Revision Number:	<input type="text" value="1"/>	Revision Date:	<input type="text" value="11/04/2008"/>	Page:	<input type="text" value="1 of 1"/>
