

2008 Type 2 Request

Request for Type 2 Part / Specification Approval

Review PRR Article 2.7.6: **Parts Approval Procedure** before submitting this form.

Team / Vehicle Information

Team / Manufacturer submitting request: Horton Motorsports
 Vehicle change is requested for: Dodge Viper Competition Coupe
 Date: 06-24-08

Part / Specification

Part / Specification Requested: Alternate Engine Build Facility
 VTS Section Identification: 2.G.3
 Reason for Request:

To be able to have an alternative build facility on the Viper Speed World Challenge engine to address the blow by, rod bearing and reliability issues. Team will accrue fees for SCCA employee to verify and seal the engine at the engine build facility.

Cost of Part / Modification: Less than \$ 5000.00 for complete substitution of alternative OE parts
 Is the part available, or can the modifications reasonably be made, within 14 days? yes
