

VTS Change Decision

Information

Party Submitting Request:

Submission Date:

Decision Date:

Specification Change

1. Vehicle:

2. VTS / Appendix A Section:

3. Requested Specification:

Decision

The request is not approved for the following reasons;

- 1) The car is proven to be competitive as currently specified.
- 2) The revised tire shaving has reduced the temperature buildup.
- 3) The weight of the car was reduced thereby reducing loading and heat buildup.
- 4) The change is not recommended by the tire manufacturer based on the tire load ratings.
